# COVID-19 RESPONSE

## THE LOVE YOUR NEIGHBOR PROJECT

**512** Food and supply deliveries made to local refugee families in need during COVID-19 shutdowns

- Partnered with resettlement agencies to help refugees file for unemployment.
- Hired 6 college students to work as Leadership Experience Interns
- Expanded into a fourth space in RHP's North Raleigh Community
- Provided 13 hrs/day of in-person academic support for students in virtual school
- Partnered with WCPSS to make our refugee community a lunch/breakfast distribution site
- Added a part-time Social Worker to the RHP Team
- Collected and distributed over 1000 face masks

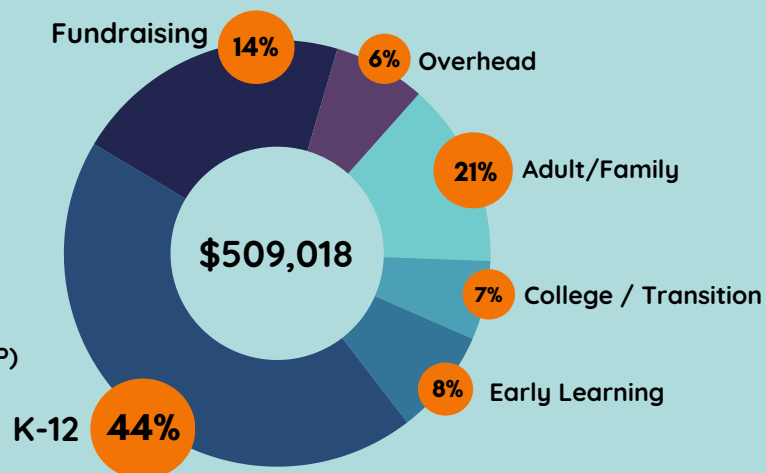

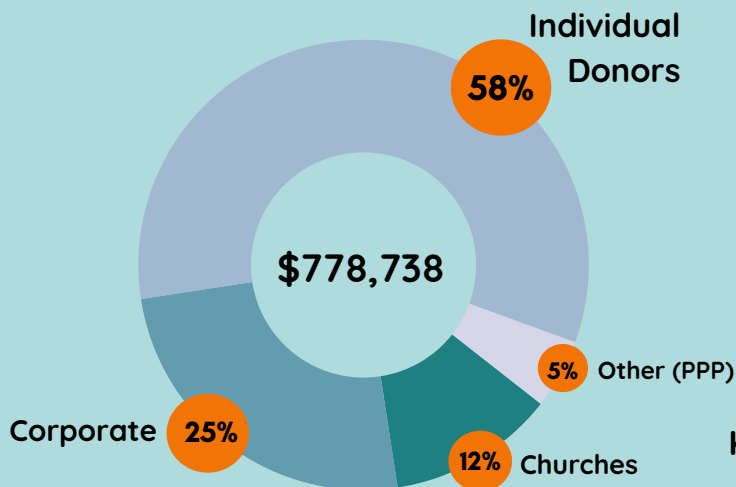

The weight of 2020 was heavy  
but God still did mighty and beautiful things.

God worked despite the 2020 obstacles, hardships and sadness. Babies were born, young adults were accepted into college, high schoolers were offered scholarships, newcomers learned English, neighbors became US citizens, families were fed, the sick received medical advocacy and affordable health access, families moved into home ownership, new friends attended bible studies, families and schools were connected, students of all ages accessed remote online learning, books were distributed, kindergarteners were registered for school, and neighbors became friends.
